

## **Friends of the Castroville Regional Park**

The newly organized “Friends of the Castroville Regional Park” (FCRP) is kicking off a Charter Membership drive. We are looking for members and supporters. FCRP is a non-profit (501c3) organization. The mission of the FCRP is education, preservation, conservation and maintenance of the Castroville Regional Park. Its goal is to foster a partnership between the park and the community. With continued community growth comes the need to expand the park’s infrastructure, create new education and recreation opportunities, as well as acquiring and developing more green space for the community. If you have an interest in promoting the park on any level, please consider joining us.

### **Why should you help?**

This is a great opportunity for residents to give back to the park. The Castroville Regional Park’s needs cannot be met through public funding alone. We need your help to enhance and maintain our park as a treasure your family, friends and visitors can be proud of.

### **How can you help?**

- Join the FCRP – Become a member by filling out a membership application and sending your membership dues to: Friends of the Castroville Regional Park, 117 River Meadow, Castroville, TX 78009.
- Volunteer – Explore the opportunities to volunteer your services, share your knowledge, suggest your ideas and participate in fundraising.
- Donations – All donations are tax-deductible. You need not be a member to contribute.
