

Friends of the Castroville Regional Park

IT'S TIME TO RENEW or JOIN FOR THE FIRST TIME!

The "Friends of the Castroville Regional Park" (FCRP) needs members and supporters. FCRP is a non-profit (501(C)(3) organization. The mission of the FCRP is education, preservation, conservation and maintenance of the Castroville Regional Park. Its goal is to foster a partnership between the park and the community. With continued community growth comes the need to expand the park's infrastructure, create new education and recreation opportunities, as well as acquiring and developing more green space for the community. If you have an interest in promoting the park on any level, please consider joining us.

Why should you help?

This is a great opportunity for citizens and park patrons to give back to the park. The Castroville Regional Park's needs cannot be met through public funding alone. We need your help to enhance and maintain our park as a treasure your family, friends and visitors can be proud of.

How can you help?

- Join the FCRP – Memberships expire on March 1 of each year. Renew your membership for another year or become a brand new member by filling out the membership application on the next page and sending your membership dues to: Friends of the Castroville Regional Park, P.O. Box 173, Castroville, TX 78009.
- Volunteer – Explore the opportunities to volunteer your services, share your knowledge, suggest your ideas and participate in fundraising. Offer to lead a tour, teach a class, pick up trash, maintain a garden, or adopt a project of your own.
- Park Volunteer Work Days are usually, BUT NOT ALWAYS, held every second Saturday of the month. There is always something that needs to be done. Ask for more info.
- Donations – All donations are tax-deductible. You need not be a member to contribute.
- Adopt-A-Trail - Agree to help maintain a section of trail for a year. A great friends and/or family activity.
- Memorials – Can be in any amount and are an excellent way to honor a loved one, relative or friend.
- Plant-A-Tree – Make a lasting contribution to the beauty of the park. Information about the criteria and cost involved in this special program is available upon request.

For more information contact Teri Barrow @ 931-2609 or Helen Delavan at 931-2157.

The email address is: fotcrp@sbcglobal.net.
