A Strong Chamber = A Strong Community

Welcome to Castroville! On behalf of the Castroville Area Chamber of Commerce, I am very pleased that you are considering a move to the “Little Alsace of Texas.”

Castroville is the place for those who want to immerse themselves in the natural beauty, charm, architecture and history of Old Europe. Our beautifully preserved city captivates, intrigues, surprises and romances people year round with her gracious hospitality and subtle eccentricities.

Castroville is a small-town community close to a metropolitan city. Whatever your ideal, you'll find a place to call home - from beautifully restored homes in the historic district to our many family-friendly neighborhoods.

Open Road Publishing named Castroville as one of America’s “Most charming towns and villages.” Castroville is among the first to receive the Preserve America Community Designation from Mrs. Laura Bush in a White House ceremony. Castroville also recently received the First Lady’s Treasures Award which is awarded to “honor historic communities that have shown high level of creativity and ingenuity in recognizing and preserving their authentic sense of place and have shown sustainable efforts to preserve their heritage and community through their participation with THC.”

Come and see for yourself what the world already knows. Castroville, the “Little Alsace of Texas,” will captivate you with her gracious charm and timeless beauty.

Best Wishes,

Teri Barrow, President
Castroville Area Chamber of Commerce
